

Results of NWACA 2014 Poll of the Neighborhood

Survey completed 9/17/14; report generated 9/19/14
683 Responses (16% of 4160 households)

NWACA conducted a survey of the neighborhood in late August and early September, 2014, asking for input on the proposed Austin Oaks PUD and about topics of interest for NWACA's work in the coming months. The survey was publicized in the September NWACA newsletter, the quarterly postcard that goes to all NWACA households, email to the entire NWACA mailing list, Facebook posts, email to NWACA members who are not on the mailing list, and paper ballots to NWACA members who have no internet access.

Below are summaries of the responses for each question. For questions that had "other" responses, these responses have been categorized by topic. In many cases, the "other" topics overlap choices that were available to the respondents, but they used the "other" for one that didn't fit their first, second, and third choices.

Responses to the last question asking for other input ranged across many topics. Those responses are summarized in a separate file, too lengthy to include here.

Q1: For the currently described PUD plan, what is your opinion about the PUD?

Q2: If the office buildings at Austin Oaks were to be redeveloped, what preferences do you have for what would be there? (Choose as many as you wish.)

The "Other" responses for Question 2 covered the following topics:
