

Category	Q5: Please provide other suggestions and comments you have on NWACA activities or services.
Action	Keep tabs on city council members
Action	Limit activities that build community and foster cohesiveness within our borders. The rest will take care of itself and keep NWACA out of politics.
Action	More interaction like these surveys -- but be sure to publish results
Action	Promote local business
Action	Protect the neighborhood from developers and real estate interests.
Action	Develop some ethics, i.e. conduct of board members.
Action	Quit censoring your Facebook pages
Action	Reduce focus on 4th of July parade to focus on other events
Action	Represent the wishes of the neighborhood and NOT the developers. Fund more of Murchison Pool out of NWACA coffers.
Action	Would love to see a NWACA directory published each year -- babysitter names, handyman, etc. Would be so helpful to have one.
Action	Exercise activities for disabled people (60+ years) who use a walker/wheelchair and have balance problems.
Action	Do not take positions on controversial issues without soliciting feedback from the entire community and hearing input from both sides of the issue.
Action	Have garage sales on Sundays instead of Saturdays
Action	info on issues in adjacent areas and how NWACA interacts with other CA's (<i>civic associations</i>)
Bike	Do not change the bike and car lanes on Mesa Dr.
Bike	need to reverse the bike lanes along mesa and Spicewood. This is causing significant traffic backups during rush hours.
Bike	Please support bike safety through dedicated bike lanes on Mesa Drive.
Cleanup	I would like to see a Far West beautification project started.
Cleanup	The main entrance way into Northwest Hills is Spicewood Springs Rd. It looks terrible, in particular, at Mopac and Spicewood Springs Rd, with the concrete medians filled with weeds and trash. Also, along Spicewood Springs from Wood Hollow up to Mopac, there is a sidewalk and guard rail (responsibility of DOT) that is overgrown with weeds and trash. Since this road is a major way into our neighborhood, why does it look so bad? Let's get it cleaned up and maintained on a regular basis.
Cleanup	Trees at intersections need trim
Crime	lights that people think keep away vandals but if it is late or early morning when folks are sleeping no one sees and all the lights do is make it easy not to trip over something - some of the lights are blinding when driving and take away birds and helpful insects, we can no longer enjoy watching phases of the moon or the stars. Even a scheduled dark night once a week would be helpful
Dues	Are the annual dues owed at the same time each year or when initially joined. Is there a place where you can check the status of the membership?
Dues	Happy to pay if we haven't
Dues	How do I know when to renew?
Dues	I've lived in the neighborhood for 13 years. When prompted or when I remember, which is not every year, I pay my dues to help support NWACA. The dues are minimal and I'm happy, as I hope others are, to support a helpful organization that helps make our neighborhood one of the best in Austin. My suggestion is to add an ability to pay your dues online and approve an automatic annual renewal or at least an automatic renewal request. This would make it easier on the members and would provide an increased budget for NWACA activities.
PUD	DEFEAT THE PUD!!!
PUD	I'm sick and tired of "stop the PUD" signs littering the neighborhood.
PUD	More aggressive opposition to Austin Oaks PUD
PUD	More emphasis on stopping the Oaks PUD and making Spicewood 4 lane again. We DON'T need bicycle lanes!!!!
PUD	We appreciate all of NWACA's hard work, especially surrounding the Austin Oaks proposed PUD. Stop the PUD!
PUD	Well done on the Austin Oaks PUD representing the neighborhood and info sharing

Category Q5: Please provide other suggestions and comments you have on NWACA activities or services.	
PUD	Please work harder to eliminate an increase in traffic in the neighborhood, especially near the Austin Oaks development. It is already difficult and time consuming to get out of Northwest Hills by car. Adding more traffic will make this neighborhood an unpleasant place to live! Why are we letting a developer make a lot of money at the expense of our time and home environment? I am not sure that NWACA is truly fighting to stop the Austin Oaks development, and I would like to hear that you are doing more.
Sublease	Homes rented out to college kids (or other folks) then sub-leased to others; ending up with 5 to 10 people living in one residence and that many cars on the street.
Traffic	Get a grip on the traffic... both vehicle and bike.
Traffic	no "traffic calming" street impediments please
Traffic	Please consider addressing traffic speeds on Sierra Dr. More and more small children living on the street. It's used as a cut-through, and the 30 mph speed limit is rarely observed.
Traffic	Speed on Far West needs to be addressed.
Traffic	Traffic and speed control; increase police presence; beggars on street corners
Traffic	Work on scaling back those grandiose plans for Mopac as the major freeway through Austin
Thanks	For the small budget that NWACA has, I think you do a great job.
Thanks	I appreciate the work of our officials and others, Keep it up please. NWACA is CRITICAL for our neighborhood protection of interests and safety. Have lived in NW Hills since 1968.
Thanks	keep up the good work
Thanks	Keep up the good work.
Thanks	Questions 1 and 2 provide really tough choices. The work you do is so important and it's clear you're pulled in lots of different directions. It's the battle between immediate issues--PUD, traffic and taxing--and long-term issues that affect the value (literally and figuratively) of our neighborhood--crime, tree health, schools, etc. Thank you for all you do!
Thanks	Thank you all for the work you do to make and keep our neighborhood a jewel of the city.
Thanks	Thank you for all you do. Most appreciated. Really liked the paint recycling last Saturday. Yippee!
Thanks	The paint pick-up is a great service.
Thanks	The recent hazardous materials drop-off was a great idea and should be done regularly.
