PROJECT ALERT

Lost Creek

aury 9th

On Monday evening February 9th after 8pm crews will be closing the center and left lane of MoPac southbound from Parmer to Braker Lane to move concrete traffic barrier in preparation for asphalt paving in the median. After 9pm, there will be short term temporary closures of the on ramp from 35th Street to

Upcoming Outreach Issues

- Increased lanes closures, nighttime activity and noise
- Asphalt paving of entire corridor with emphasis on RM 2222 to Parmer Lane over next two months
- Construction of Sound Wall 8 along northbound MoPac between 35th Street and 45th Street
- Realignment of southbound MoPac at Cesar Chavez/5th
 Street exit in preparation for opening of southbound express lane
