What is NWACA? The Northwest Austin Civic Association

Founded in 1970, NWACA is an active neighborhood association that works to preserve, promote, and enhance the character of our neighborhood by:

Sponsoring neighborhood events and working to build a strong sense of community.

Supporting committees of neighbors to address fire safety, transportation, crime prevention, oak wilt, environmental concerns, park development, wildlife management, zoning and planning, and other matters as they arise.

Monitoring key municipal and county issues and advocating for the neighborhood.

Holding special events throughout the year such as the 4th of July Parade, battery/paint/electronics recycling events, neighborhood garage sales, and more.
