What is NWACA? The Northwest Austin Civic Association

Founded in 1970, NWACA is an active neighborhood association of over 13,500 households. NWACA works to preserve, promote, and enhance the character of our neighborhood by:

Sponsoring neighborhood events and working to build a strong sense of community.

Supporting committees of neighbors to address fire safety, transportation, crime prevention, oak wilt, environmental concerns, park development, wildlife management, zoning and planning, and other matters as they arise.

Monitoring key municipal and county issues and advocating for the neighborhood.
