

BOPA Collection Event – October 13th—New Location!

Start gathering those leftover paint cans, used oil and oil filters, and dead batteries. On Saturday, October 13th from 8:00-10:00AM, NWACA will be hosting our annual BOPA Collection Event for NWACA members at the Anderson High School parking lot. If you're not a NWACA member, you can join at the event.

Collecting

Batteries (both household and vehicle)
Oil
Latex Paint
Antifreeze
Toothbrushes
Toothpaste tubes

Not Accepting

Oil-Based Paint
Lacquer, Varnish, or similar
Paint Thinner or Stripper
Cleaning Chemicals,
Pool Chemicals,
Pesticides
Light Bulbs

Don't be late! We must close at 10 AM, to be able to get the materials to the City site and unloaded before they close at noon.

Want to help out? We always need volunteers for our collection events. We need folks to corral the cars, unload vehicles, load the collection truck, and assist with separating the collected materials. If you're looking for a great opportunity to help serve your neighborhood, meet your neighbors, and protect the environment, come join us! Any questions or volunteer sign-up can be sent to info@nwaca.com.

Got more than just BOPA? Austin's Resource Recovery Center will accept *other hazardous wastes* like lawn chemicals, fluorescent bulbs and tubes, cleaners, solvents, and insecticides. The Center, located at 2514 Business Center Drive, is open 9AM to 5PM Monday-Friday and 7AM-noon on Saturdays. More details and location info can be found at: <http://www.austintexas.gov/hhw>.
