The obligation to pay such assessments being part of the purchase price of each Living Unit when sold to an Owner, an express Vendor's Lien is hereby retained to secure the payment thereof in each such instance and is hereby transferred and assigned to the Association, each such lien to be superior and paramount to any homestead or other exemption provided by law. 4.0301. From and after January 1 of the year immediately following the conveyance of the first Living Unit to a Public Purchaser, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership.

4.0303. The Board may fix the annual assessment at an amount not in excess of the maximum. 4.04. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of (a) defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement on the Open Space, including fixtures and personal property related thereto, or (b) defraying in whole or in part, any deficit created by an excess of expenditures of the Association over receipts for the previous year, PROVIDED THAT any such assessment

At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

4.06. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Living Units and may be collected on a monthly or other basis as determined by the Board, EXCEPT HOWEVER, the amount of the assessment to be paid by the Declarant which shall be determined as set out in Section 4.03.

The annual assessments provided for herein shall commence as to all Living Units and Phases, on the first day of the month following the conveyance of the Open Space to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual assessment against each Living Unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board. 4.08. Effect of Nonpayment of Assessments. Remedies of the Association. Any assessment not paid when due shall be immediately delinquent and shall, together with such interest and cost of collection as is hereinafter provided, immediately become a continuing lien on the property which shall, to the full extent permitted by law, bind such property in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. If the assessment is not paid within thirty (30) days after the due (delinquent) date, the assessment shall bear interest from the due (delinquent) date at the maximum lawful rate per annum and the Association may either (a) bring an action at law against the Owner personally obligated to pay same, or (b) foreclose the lien against the property, or (c) both, and, in either event, there shall be added to the amount of each assessment, interest as provided and all costs of collection including reasonable attorney's fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Open Space or abandonment of his Living Unit.

4.09. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Living Unit shall not affect the assessment lien. However, the sale or transfer of any Living Unit pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments thereafter becoming due or from the lien thereof. No extinguishment of the lien shall relieve the delinquent Living Unit Owner from his personal obligation and liability therefor.
